Budget Message

June 26, 2023

The Honorable Mayor and Members of the City Council City of Scott City, Kansas

Mayor Green and Council Members,

As the Chief Administrative Officer, the primary duty of the City Administrator is to prepare and propose to the City Council a financial business plan for the municipal government. The budget submittal requirements contained in the City of Scott City Municipal Code and Kansas State Law provide both guidance and the framework for the preparation of the municipal budget. As a result, it is my privilege to place before the City Council the proposed 2024 City Budget.

The budget document is meant to be a management tool that highlights the City Council's priorities and plans for the future of the community. As such, a great deal of time and effort is given each year to produce a document that is thorough and one that will help to provide an overall picture of the financial position of the City. The City's Assessed Valuation continues to rise, which shows that the community is strong and growing. All the City's operational fund balances have met the target amounts set in previous budgets.

This budget document includes an overview of the budget and summary pages which include tax levy information, budgeted revenues and expenditures, fund balance projections, and much more to assist the City Council in your review of the planning aspects of the budgetary process. I would like to thank the Department Heads and City staff who played an important role in the preparation process.

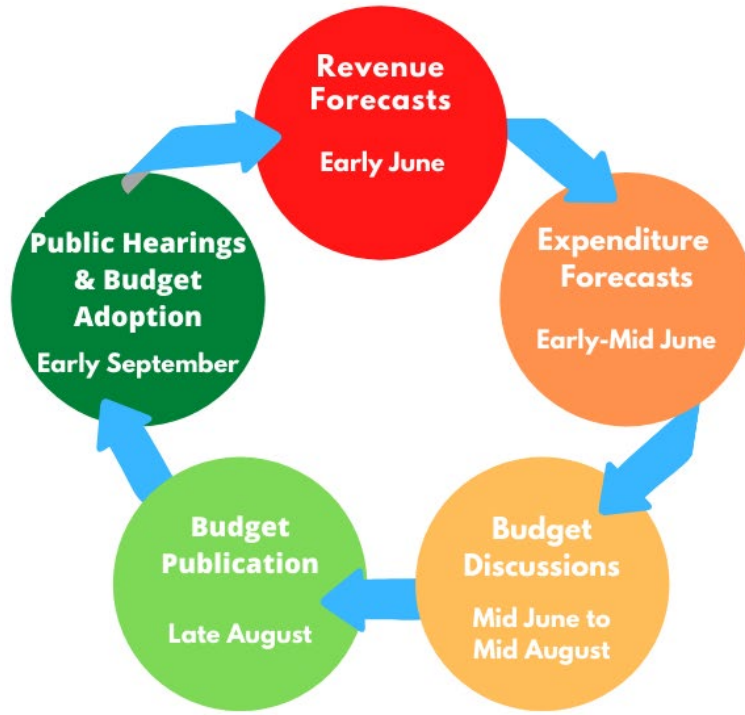

With inflation currently slowing down, but still high, it would seem most of the effects from the COVID-19 pandemic are on the decline. The reassessment of property values and the impact of inflation on the cost of goods and employee wages have been significant factors in preparing the 2024 budget. City staff will be ever vigilant to monitor revenues and expenses over the course of 2024 to ensure City fund balances maintain, to remain in a good financial position for subsequent budget years.

Respectfully submitted,

Bradley Pendergast
City Administrator

Financial Structure

Scott City's accounting system conforms to the requirements of Kansas State Law and good financial management practices. Expenditure categories are generally classified by department or cost center, category (personnel, contractual, commodity, etc.), or line item (salaries, utilities, office supplies, etc.). The administrative budget breaks down expenditures to the line-item level of detail while the Kansas State budget forms break expenditures down to the categorical level.

Expenditure Categories

Personnel: Expenditures for salary and wages, overtime, employee benefits, etc.

Contractual: Expenditures for services purchased by the City, such as electricity, insurance, etc.

Commodities: Expenditures for tangible supplies purchased by the city, such as office supplies, street materials, etc.)

Transfers: Money which is transferred out of one fund and into another to cover a related expense.

Debt Service: The principal and interest payment on the City's outstanding debt.

Revenue Categories

Ad Valorem Taxes: Taxes that are levied based on the value of property. The amount of the tax depends upon the assessed value of the property and the tax rate established by the City (and other taxing entities within Scott City, such as the school, county, etc.).

Sales and Use Taxes: Taxes levied by the city based on the value of a sale. These are often authorized by election and are collected by the State for the City.

Franchise Fees: Fees the City charges other entities for the use of city right-of-way. (i.e. Electric, Gas, Cable TV, etc.).

Interest on Investment: Interest revenue the city earns on money it temporarily invests.

Service Charges: Revenue collected for a service provided to another party, such as water service charges, special assessments, license fees, etc.

Unreserved Fund Balance: Unspent funds from previous years' operations. This money is often used to maintain an adequate level of cash reserves for emergencies, but portions are also budgeted for expenditures in future years to help reduce reliance on other funding sources.

Miscellaneous Revenue: Any revenues not included in the above categories.

Fund Accounting

The use of Fund Accounting is one of the major differences between commercial and governmental accounting. This form of accounting requires separate record keeping for each individual fund. Each fund operates as a self-contained entity with its own revenue sources, expenses, assets, liabilities, and fund balance. Even though the actual cash is kept in one bank account, a separate accounting record is kept of all funds using a computerized accounting system. Expenditures and revenues by fund are shown in the budget document, according to this method. The City has established the minimum number of funds necessary to ensure that all receipts are expended for authorized budget purposes only.

Financial Audit

Each year the City's financial system and activity is audited by an independent public accountant. The audit is prepared according to Generally Accepted Auditing Standards and the Kansas Minimum Standard Audit Program. The final audit is presented to the City Council, the Municipal Accounting section of the Kansas Department of Administration, and other regulatory or oversight bodies as required. Certified Public Accountants Dirks, Anthony & Duncan are currently under contract to audit the financial statements of the City of Scott City.

Legal Restrictions of Budgeting

The City is subject to several requirements imposed by Kansas State Law and by local policy that restrict the activities of the City and provide the public with certain rights. Some of these extend beyond the budget process but are particularly important regarding that process. Budget law: Per State Law, the City must establish a budget of planned expenditures for every fund, except for the Capital Improvement and Reserve funds. The budget law also prohibits the City from expending funds that exceed the amounts budgeted for those funds. The City may, without violation of the budget law, transfer budget authority within the General Fund from department to department or between items of expenditure. As mentioned earlier, the fund budgets may be amended through the procedure prescribed for original adoption of the budget, although no additional taxes may be levied through such an amendment. The budget law also prescribes the procedure the city must follow to adopt the annual budget. The law requires that the city hold a public hearing prior to adopting the budget. This hearing must be publicized by public notice in the official city newspaper at least ten days prior to the date set for the hearing.

Cash Basis Law: The Cash Basis Law used in the State of Kansas prohibits cities from creating a financial obligation unless there is money on hand in the proper fund with which to pay that obligation.

Limit on Indebtedness: Kansas law limits cities' long-term debt (Bonds and Temporary Notes) outstanding to a maximum of 30% of assessed valuation. Assessed value for the purposes of establishing the debt limit includes the value assigned to motor vehicles. Motor vehicles are not included in the assessed value for the purposes of establishing the mill levy. Debt issued for the purposes of storm or sanitary sewers for City utilities are not subject to the limit. In addition, debt issued under some statutes may be specifically exempt by the authorizing legislation.

Open Meetings: Generally, any time a quorum of the City Council meets for the purpose of conducting or discussing City business, the meeting must be open to the public. Kansas State Law provides for specific instances in which the Governing Body may go into executive session (non-public meeting), but no binding decisions may be made in such closed sessions. The City of Scott City prepares an agenda for all meetings and tries to provide at least twenty-four hours' notice of any meeting to all news media. The public is encouraged to attend and participate in all City Council meetings pursuant to the rules of order. Special meetings, work sessions, or changes in the place or time of regular meetings will be announced in advance through regular news media channels.

Kansas Open Records Act: The Kansas Open Records Act provides that, unless specifically exempt by law or court ruling, all public records are open to public inspection. The basic policy is that the public has a right to public records unless that right has been limited by state or federal law. Access may be charged if substantial amounts of staff time are required to provide access. Copies of records can be provided for a nominal fee. If a record is requested and access is denied, a specific reason for denial must be given.

Glossary of Budget Terms

Appropriation: An authorization granted by the City Council to make expenditures and to incur obligations for purposes specified in the Appropriation Ordinance.

Assessed Value: A value set upon real estate or other property by the County Appraiser and the State as a basis for levying ad valorem property taxes.

Beginning Balance: The beginning balance is the residual funds brought forward from the previous fiscal year (unencumbered cash balance).

Bonds: Bonds are debt instruments that require repayment of a specified principal amount on a certain date (maturity date), together with interest at a stated rate, or according to a formula for determining the interest rate.

Budget: A budget is a plan of financial operation embodying an estimate of proposed expenditures and the means of financing them. Used without any modifier, the term usually indicates a financial plan for a single fiscal year. In practice, the term “budget” is used in two ways. Sometimes it designates the financial plan presented for adoption and sometimes it designates the plan finally approved. It is usually necessary to specify whether the budget under consideration is preliminary and tentative or whether the Governing Body has approved it.

Commodity Items: Consumable goods such as office supplies, small tools, fuel, etc. Commodities also include repair and replacement parts and non-capital materials.

Contractual Services: Services provided by firms, individuals, or other city departments.

Debt Service: Payment of interest and principal on an obligation resulting from the issuance of bonds or other such financing methods.

Enterprise Funds: Funds which are accounted for in a manner like a private business enterprise. Usually, the governmental entity intends for enterprise funds to fully recover their costs (including depreciation and maintenance projects) through user fees. The City of Scott City has three Enterprise Funds: Water, Sewer and Airport

Fund: An independent governmental accounting entity with a self-balancing group of accounts, including assets, liabilities, and fund balance.

General Funds: Funds supported by taxes and fees that have unrestricted use.

Operating Funds: Resources derived from reoccurring revenue sources used to finance ongoing operating expenditures and pay-as-you-go capital projects.

Resources: Total funds available for appropriation including estimated revenues, fund transfers, beginning balances.

Tax Levy: The total amount to be raised by general property taxes for purposes specified in the Tax Levy Ordinance.

Transfers: Transfers are the authorized exchanges of cash or other resources between funds.

MILL LEVY GUIDE

What is a Mill Levy?

A mill levy is a tax rate, commonly referred to as property tax, millage tax, or ad valorem tax, that an owner is required to pay on the value of the property being taxed. Property tax can be defined as "generally a tax imposed by municipalities or taxing entities upon owners of property within their jurisdiction based on the value of such property."

What property is taxed?

There are three types of property: Land, Improvements to Land (immovable manmade objects, i.e., buildings), and Personal (movable manmade objects).

Calculation of a Mill

A mill is expressed in tenths of a cent. For example, a tax rate of one mill per thousand means \$1 of taxes per \$1000 of assessed value.

City of Scott City Value of City Services

MARKET VALUE OF HOME: \$150,000

To determine assessed valuation, multiply by 11.5% (residential)

$\$150,000 \times 11.5\% = \$17,250$

ASSESSED VALUATION: \$17,250

To determine city tax liability, divide assessed valuation by 1,000 and then multiply by published mill levy

$(\$17,250 / 1,000) \times 63.360 = \$1,092.96$

CITY TAX LIABILITY = \$1,092.96

MONTHLY EXPENSE FOR CITY SERVICES

To determine the monthly expense for city services, divide tax liability by 12 months.

$\$1,092.96 \text{ divided by } 12 = \91.08 per month

The following list represents a sampling of the City's services provided with the \$91.08 per month:

Police Protection	Street Lighting	Animal Control
Municipal Improvements	Building Inspections	Code Enforcement
Administration	Park Maintenance	Swimming Pool
Municipal Airport	Street Maintenance/Repair	Snow Removal

REVENUE NEUTRAL RATE GUIDE

During the 2021 legislative session, the legislature enacted Senate Bill 13 (SB 13) and House Bill 2104 (HB 2104). This legislation removed the tax lid and established the revenue neutral rate as well as new notice and public tax rate hearing requirements if the proposed budget will exceed the revenue neutral rate. These requirements took effect in 2021 for a city's 2022 budget.

What is the Revenue Neutral Rate?

The tax rate in mills that would generate the same property tax revenue in dollars as levied the previous tax year using the current tax year's total assessed valuation. For the 2024 budget, the City of Scott City has a revenue neutral rate of 61.864 mills.

How is the Revenue Neutral Rate Calculated?

To calculate the revenue neutral rate, the County Clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current year, and then multiply the quotient by 1,000 to express the rate in mills. (SB 13 Sec. 1(e)(2))

Calculation of Scott City's Revenue Neutral Rate	
2023 Budget	2024 Budget
- Scott City levied \$2,260,367 in property tax	- In 2023 budget, Scott City levied \$2,260,367 in property tax
- Assessed Valuation of property = \$32,536,766	- Assessed Valuation of property changes to \$36,537,943
- Value of one mill = \$32,536.77	- Value of one mill = \$36,537.94
- Mill Rate = $\left(\frac{2,260,367}{32,536.77} \right) \times 1,000$	- Revenue Neutral Rate = $\left(\frac{2,260,367}{36,537.94} \right) \times 1,000$
69.471 mills	61.864 mills

What is the process to exceed the Revenue Neutral Rate?

1. Notify the County Clerk by July 20 with intent to exceed the revenue neutral rate.
2. Place a notice on the City's website (scottcityks.org) and in the Scott County Record at least 10 days prior to the hearing.
3. No earlier than August 20 and no later than September 20, conduct a tax rate and budget hearing giving taxpayers an opportunity to comment on the budget.
4. Adopt a resolution to exceed the revenue neutral rate.
5. Adopt the proposed budget.
6. By October 1, certify to the County Clerk the amount of ad valorem tax to be levied by the city.

**Revenue Neutral Rate information was sourced from the League of Kansas Municipalities (www.lkm.org)*

KEY FINANCIAL POINTS

Property Taxes

The final mill levy for the 2023 budget year came in at 69.471. The property tax levy is projected to decrease to 63.360 for 2024. The General Fund will receive approximately 48.942 mills. This is a decrease from 2023 (54.621 mills). The Employee Benefits Fund will receive a decreased portion of the property tax levy at 10.419 mills from 2023 (10.852 mills) The Airport Sinking Fund will receive a similar portion of the property tax levy at 3.999 mills from 2023 (3.998 mills).

The estimated assessed valuation for the 2024 budget year is \$36,537,943. This is an increase of \$4,018,354. The value of a mill is projected to increase from \$35,520 to \$36,538. The total property tax levy of 63.360 will bring in \$2,315,017. The General Fund will receive \$1,788,225, the Employee Benefits Fund will receive \$380,674 and the Airport Sinking Fund will receive \$146,118.

Sales Tax

Sales tax was up in 2022 with a total of \$919,484 compared to \$806,546 that was collected in 2021. Sales tax receipts for 2023 (estimated at \$810,000) are projected to be slightly lower than 2022 numbers. 2024 is projected to remain in the same range of around \$812,000.

Total Expenditures

The 2024 City Budget anticipates cash expenditures in the three major funds (General, Water, and Sewer) of approximately \$11,973,078 (\$4,390,848 of which is from a KDHE Loan for phase two of the water system improvement project). These budget estimates are reasonably conservative and based on a cautious approach to expenditure projections. Year-end performance in the past has regularly been better than projected due to actual expenditures being held below the budgeted estimates. Actual expenditures in 2022 came in at \$7,071,421 about \$5,202,260 under the budgeted amount (\$12,273,681).

Fund Balances

A fund balance is the amount of cash carried forward at the end of the year. These funds are used as a cushion for difficult times and to help bridge the gap between revenue receipts and obligations. The City continues to have overall strong fund balances. In 2022, based off budgetary recommendations, the City created reserve funds for both the Water and Sewer Departments. These funds can be viewed as a savings account for the main enterprise fund. Reserve funds are non-budgeted funds, meaning that the annual budget will not set a budgetary authority for these funds. Therefore, these funds can be more strategically used for large purchases or unforeseen circumstances.

Pay Plan

At the start of the 2023 fiscal year, the City implemented a 7.4% COLA for all employees, due to increasing inflation, the City felt this would be one of the best ways to continue to remain competitive with the recently established pay plan. This budget includes funding for 2% step increase for all employees as well as an 4.6% COLA. The City's final COLA figure for 2024 will come from the 12-month Midwest CPI figure for October. Currently, the latest figures for the 12-month Midwest CPI is June which is at 2.4%. With so much uncertainty surrounding inflation and the economy, the 4.6% figure will remain budgeted, but does not necessarily mean that will be the COLA given to employees for 2024.

Resolution 2023-05: Notice of Intent to Exceed Revenue Neutral Rate

RESOLUTION 2023-05
CITY OF SCOTT CITY, SCOTT COUNTY, KANSAS

A RESOLUTION OF THE CITY OF SCOTT CITY, KANSAS REGARDING THE GOVERNING BODY'S INTENT TO LEVY A PROPERTY TAX EXCEEDING THE REVENUE NEUTRAL RATE;

WHEREAS, the Revenue Neutral Rate for the City of Scott City was calculated as 61.864 mills by the Scott County Clerk; and

WHEREAS, the budget proposed by the Governing Body of the City of Scott City will require the levy of a property tax rate exceeding the Revenue Neutral Rate; and

WHEREAS, the Governing Body intends to hold a hearing and hear testimony from all interested taxpayers desiring to be heard as required by state law.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SCOTT CITY:

Section 1. The Governing Body of the City of Scott City hereby sets a public hearing regarding its intention to exceed the Revenue Neutral Rate for September 5th at 6:30pm to be held at City Hall, 221 W 5th Street and directs that notice of the public hearing be given as required by state law.

Section 2. The Governing Body of the City of Scott City expresses its intention to exceed the Revenue Neutral Rate with a proposed mill levy of 63.360 mills.

Section 3. The Governing Body of the City of Scott City directs the City Clerk to provide this resolution to the Scott County Clerk as notice of the City's proposed intent to exceed the Revenue Neutral Rate.

This resolution shall take effect and be in force immediately upon its adoption and shall remain in effect until future action is taken by the Governing Body.

ADOPTED this 17th day of July 2023 and SIGNED by the Mayor.

Everett M. Green, Mayor

Using her medical background, Dr. Hineman's message to the students focused on servant leadership and the gifts that all of us possess that assists in service to others: "a brain, hands, and a heart."

The brain, used to explore our "leadership mindset"; the hands, used to elevate those around us; and the heart, used to find our "Why" and care for others are all components to being effective leaders in our schools and communities.

Resolution 2023-06: To Exceed Revenue Neutral Rate

RESOLUTION 2023-06
CITY OF SCOTT CITY, SCOTT COUNTY, KANSAS

A RESOLUTION OF THE CITY OF SCOTT CITY, KANSAS TO LEVY A PROPERTY TAX RATE EXCEEDING THE REVENUE NEUTRAL RATE;

WHEREAS, the Revenue Neutral Rate for the City of Scott City was calculated as 61.864 mills by the Scott County Clerk; and

WHEREAS, the budget proposed by the Governing Body of the City of Scott City will require the levy of a property tax rate exceeding the Revenue Neutral Rate; and

WHEREAS, the Governing Body held a hearing on September 5, 2023 allowing all interested taxpayers desiring to be heard an opportunity to give oral testimony; and

WHEREAS, the Governing Body of the City of Scott City, having heard testimony, still finds it necessary to exceed the Revenue Neutral Rate.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SCOTT CITY:

The City of Scott City shall levy a property tax rate exceeding the Revenue Neutral Rate of 61.864 mills.

This resolution shall take effect and be in force immediately upon its adoption and shall remain in effect until future action is taken by the Governing Body.

ADOPTED this 5th day of September 2023 and SIGNED by the Mayor.
