CURB REPLACEMENT COST SHARE POLICY

Instructions/Guidelines:

- 1. The City of Scott City will reimburse the lesser of one-half of the cost of curb replacement OR \$20.00 per linear foot for replacement curb &/or guttering.
2. Work must be pre-approved by City personnel prior to start of replacement; reimbursement will be for only the amount of pre-approved curb replacement.
3. Owner/resident is responsible for contracting with a contractor of his/her choosing and written contract must be submitted to City personnel. City assumes no responsibility for quality or timeliness of contractor's work.
4. Contractor must hold all required City licenses and insurance certificates.
5. A building permit must be obtained prior to approval by the City.
6. Completion and proof of payment by owner/resident must be submitted to City staff prior to reimbursement by the City.
7. Cost share is for replacement of existing curb and gutter and replacement across flow lines in existing driveways with a maximum replacement of one foot behind such flow line.
8. New curb and gutter, sidewalks, driveways, steps, patios, and new curb cuts do not qualify for this cost share program.
